

*Dear Beloved in Christ.*

*Thank you so much for your prayers and support throughout the year that helped us accomplish so many things in the ministry of the Gospel here. Among them we want to mention the deliverance of Enide Dortely. She was born in the vicinity of the city of Jacmel where her parents lived. They sent against her an evil spirit that tormented her, by causing her to crush her body. To keep her away from the power of the demon, they sent her two years ago to Gonaives, a city about 200 miles from Jacmel, to live with some relatives, for some relief, they thought. The devil went with her to Gonaives and continued to possess her off and on, but with lesser damage.*

*But in the beginning of past September, the devil possessed her with more brutality. She began to bite herself, beat people near by. The relatives in Gonaives, felt that they could not continue to keep her, and they sent her back to her parents at Carrefour Dufort in Leogane. Her parents took her to a witch doctor for help.*

*That man did voodoo ceremony by throwing salt on the roof of their house, as to cast out that evil spirit, but nothing helped. That spirit tortured so much that girl so that her parents did not know what to do with her.*

*Finally, they brought her to Pastor Dikenson Maurice who brought her to the Independent Christian Alliance Church in the town where he is the Senior pastor. The church members prayed for her. By 11 PM, the spirit possessed her with a stronger force. They kept on praying for her. The next day, they questioned the spirit who explained every thing to them, saying he was sent against her by two individuals to possess and kill her. He had to do his job; he could not leave her, for his senders will put fire on him. The pastor and his faithfuls pleaded the blood of Jesus Christ against him and commanded him to go into the sea. That spirit yelled and cried through that girl and left.*

*Since September, Enide is set free in the name of Jesus Christ and is now serving the Lord in the Church of Carrefour Dufort. Praise the Lord!*

*As I said in the last newsletter, we now have a great need of putting the balcony roof on the church we are building. We hope to enter it on January to lodge the people at the Bible Conference that will be held from January 6 to January 11 next year. We do not have the money to do so. Please pray that the Lord may touch hearts right away so that we receive as soon as possible the necessary fund to do at least the covering of the second floor in order to have enough space to hold so many people that will come to the Conference.*

*It is because of the birth and the death of Jesus Christ that Enide was delivered from the power of the devil. It is also because of our bond in Christ that we are glad to wish you a Merry Christmas and a Happy New Happy Year.*

*Thank you, for your prayers and your support for that project.*

*May the Lord bless you in Jesus' Name
